

COUNTRY MOUSE AND THE MISSING LUNCH MYSTERY MONOLOGUE

COUNTRY MOUSE: SQUEEK! Something's not right here. *(He gets himself more and more worked up as he tries to calm himself down.)* It must be me. I'm just too nervous, that's all. I've got to calm down. Just because my cousin City Mouse is coming for lunch is no reason to get myself in a tizzy. Just because my cousin City Mouse is a gourmet cook and the fussiest eater in the entire mouse world is no reason to get myself all in a dither. Just because my cousin City Mouse has never once entirely approved of anything I've served her to eat is no reason to get myself turned upside down! *(In a tizzzy, in a dither, and totally turned.)* SQUEEEEEEEK! Squeak-squeak-squeaksqueaksqueak!
