Shrek: Once upon a time, there was a lovely princess. But she had an enchantment upon her of a fearful sort, which could only be broken by love's first kiss. She was locked away in a castle guarded by a terrible fire-breathing dragon. Many brave knights had attempted to free her from this dreadful prison, but none prevailed. She waited in the dragon's keep, in the highest room of the tallest tower, for her true love, and true love's first kiss. ... Like that's ever gonna happen!

Captain Hook: How still the night is. Now is the hours when children in their homes are a-bed- their lips bright-browened with the goodnight chocolate, and their tongues drowsily searching for belated crumbs housed insecurely on their shining cheeks. Compare with them the captive children on this boat. Split me the infinitives, but 'tis me hour of triumph! (*evil laugh*) At last I've reached me peak! I'm the greatest villain of all time!

Belle: Oh yes, I'm very happy here. Everyone is so kind. Mrs. Potts, Lumiere... and you. It's just... I was just thinking about my father. I miss him so much. I wish I could see him again. (*Beast hands her the mirror*). I'd like to see my father please. Papa? Oh, no... Papa! Something's wrong! He's in the woods. I think he's lost. I should... I should....go to him. But what about... I could never forget you.

Mrs. Potts: Nothing like a nice warm cup of tea to make the world seem a bit brighter. Mrs. Potts dear. Very pleased to make your acquaintance. That was a very brave thing you did, my dear. We all think so. Cheer up child, I know things may seem bleak right now, but you mustn't despair. We're here to see you through. I hope that we'll be friends, though I don't know you well. If anyone can make the most of living here, it's you! And who knows, you may find home here too.

Cruella: What on earth is all that racket?! How am I ever going to get my beauty sleep! I don't want to hear the yowls and growls of little furry spotted creatures.... Little furry spotted creatures... ooh, why I don't think I've quite seen anything like them. Look at the depth! Look at the patterns! Why they're practically works of art! They're just what I need to complete my collection. I've changed my mind. I've been without a pet long enough. I can't wait to wear... I mean, care for all the little puppies. I'll buy the whole litter. How much?

Finding Nemo -- Dory

No. No, you can't. ...STOP! Please don't go away. Please? No one's ever stuck with me for so long before. And if you leave...if you leave... I just, I remember things better with you! I do, look! P. Sherman, forty-two...forty-two... I remember it, I do. It's there, I know it is, because when I look at you, I can feel it. And...and I look at you, and I...and I'm home! Please...I don't want that to go away. I don't want to forget.

Princess Aurora: Rest? How could I possibly rest at a time like this? All my life I dreamed of meeting a handsome prince. I imagined what it would be like to be born a true princess. And now, they tell me it's all about to come true. In a couple of hours I'll be meeting my future husband, Prince - - - what's-his-name, and this isn't what I want at all! How dare my father send me away for 16 years & then tell me that I must wed a - a-- what's-his-name. And why? Because it was all arranged at birth? This is mad! This is absurd! This is -- hopeless. How can I marry what's his-name, when my heart belongs to Phillip?

Farquaad: Whooooo, Broomstick Horse! Forgive me, Princess, for startling you. I am Lord Farquaad. Princess Fiona, beautiful, fair, flawless Fiona... I ask your hand in marriage. Will you be the perfect bride for the perfect groom? (*Fiona:I accept*) Excellent! I'll start the plans. There's so much to do! Captain, ride ahead and tell them it's a Code Red! We'll be married by sunset!
