

THE LEMONADE STAND BY PEG KEHRET

Lemonade! Get your ice cold lemonade! Just \$1! I can't believe I've been standing here all morning and not ONE person has even given me a second look! I just don't get it. The sun's shining. It's a hot day. I spend HOURS making this sign, and I even put on my best dress AND had my mom put my hair in pigtails. Do you have any idea how uncomfortable these things are? She says they make me look adorable and that cuteness "sells". I guess she must be wrong because I haven't had one single customer yet...
