

***INTO THE WOODS, JR.* – JACK'S MOTHER MONOLOGUE**

JACK'S MOTHER: There's a dead Giant in my backyard! I heard Jack coming down the beanstalk, calling for his axe. And when he reached the bottom he took it and began hacking down the stalk. Suddenly, with a crash, the beanstalk fell, but there was no Jack. For all I know, he's been crushed by the Giant.

Doesn't anyone care a Giant has fallen from the sky?!
